

## Hexham Middle School PTA

# Cash for Clothes Fundraiser

### What is this and how will it work?

As you may know, all the schools in our area are short of funds and Hexham Middle is no exception. You can help by donating any old or unwanted clothes.

Simply drop off any good quality unwanted clothes or accessories to the Cash for Clothes shop in Hexham and mention that your donation is on behalf of Hexham Middle School. \*

\*For every 1kg received, Cash for Clothes will pay 40p to HMS PTA through an account.

If you are unable to take clothes to the shop, your child can take small bags directly to school where, they will be held in Orchard block, before being collected and taken to the shop for donation.

### How to find the shop

The shop is situated on Maidens Walk opposite Marks & Spencer.

**Cash for Clothes recycle items of clothing by selling them around the world, mainly to West Africa, where people often can't afford to buy new clothes and rely upon recycled clothing sales.**

### What do they accept?

Menswear, Womenswear, Children's Wear (NOT school uniform), Paired shoes, Bags, Belts, Accessories.

All clothes should be in good condition, not soiled or torn.

**Take any old/unwanted clothes, in good condition, to the Cash for Clothes shop In Hexham...**

**Or send them to school with your child...**

**With a note saying any money from the sale of the clothes is to be donated to HMS PTA...**

**Thank you for your support!**
