#### **This week's trivia:**

**Over 76 million people have been born since your last birthday and by the time it takes you to read this, 5 babies have been born!**

#### **This week's joke:**

**Patient: doctor! I have heart burn every time I eat birthday cake!**

**Doctor: take the candles off next time.**

#### **Competition Time!**

##### **This week's questions**

For one house plus: to the nearest billion, how many people are on earth?

For two house plusses: According to recent estimates (to the nearest thousand) what is the population of Hexham?

Congratulations to David Cook (5fha) who won three house plusses for Aln last week because he knew both answers!

Post your answer to this week's question in to the competition box in Fellside reception area along with your name, class and house. A winner will be selected on Thursday at random from the correct entries. Good luck!
