

November 2017

Dear Parent/ Carer

**KS2 Curriculum Information Evening (English and Maths)
Thursday 16 November 2017 6.00 - 7.30pm**

We would like to invite you all to attend a Key Stage Two Curriculum Information Evening. The purpose of this session is to share with you the new teaching methods, curriculum content and approaches to assessment in English and maths. In a time of on-going change in education, we thought it might be useful for you as parents/carers to gain an up-to-date insight into the work your children do on a day-to-day basis.

The evening will involve: a short presentation from the Heads of English and Maths; opportunities to see real examples of tasks; an update on key methods in maths and grammatical terminology in English, and a chance for you to us ask any questions you may have. We will also discuss our expectations for homework completion and show you resources that you can use to support English and maths at home.

As this will predominantly be a classroom-based session where space is limited, it would be helpful if you can come without your child. However, we appreciate you may have child care issues; in which case do please bring them along as we would rather you still came. Please indicate if this is the case on the reply slip.

This session will run subject to demand and therefore it is vital that, if you wish to attend, you return the attached reply slip no later than Friday 10 November.

We would really like you to come along to this event and value your ongoing support.

Yours faithfully

Mr Watters and Mrs Roff

Head of Maths and Head of English

(Reply slip to be returned to Mr Watters by Friday 10 November 2017)

KS2 Curriculum Information Evening (English and Maths)

Thursday 16 November 2017 6.00 - 7.30pm
