

Primary PE and Sport Premium

Hexham Middle School

Report on the Primary PE and Sport Premium: Academic Year 2016 2017

Introduction

The Primary PE and Sport Premium was launched by the Government in April 2013 and is available for three academic years: 2013/14, 2014/15 and 2015/16. It is ring-fenced funding to be used by the school to improve the quality and breadth of our PE, sport and physical activity provision.

Amount of Premium Received

In academic year 2016 2017, Hexham Middle School received £9,165.

Break Down of Expenditure

Equipment for High Quality PE	£ 500
Purchase SEND equipment	£ 650
CD Wheel Software	£1000
Playground Leaders training	£ 200
Coaches to support Extra-Curricular	£4000
Y5 Team Building Day	£ 200
Develop Pyramid Competition	£ 200
Training Sports Leaders	£ 250
Transport to Competitions	£1600
Medals for Sport Day and Winter Games	£ 400
Miscellaneous	£ 165
Total	£9165

Impact on PE and Sport Participation and Achievement

Sustainability

The PE and Sport Premium money has been used in previous years to develop and improve our equipment to support and enhance the existing curriculum provision. We are now in a position where we have achieved that goal. Last year our Key Focus changed to improving our range and focus of clubs for pupils to attend. Provision for those who wish to compete is very good for both boys and girls. This year, and subsequent years, Premium will be used on developing provision for the other pupils who at the present do not go on to represent school teams. This can be a challenge due to our rural locality; we have a small pool of coaches to come into school. This academic year we intend to use a large proportion of the money to employ coaches so that we can widen the range of activities that we currently offer. As with last year, a key focus will be to continue to use pupils in the organisation of the competitions and clubs. We will embed and build on the use of the School Games Organising Committee for this academic year.

Priorities

Having undertaken an audit, and listened to pupils' views, we have allocated the funding to the following priority areas.

	Area	Pupils	The difference it will make to pupils
PE	<i>Equipment for High Quality PE</i>	<i>All KS 2</i>	<i>Further purchase of Lacrosse equipment to embed a new activity into the curriculum.</i>
	<i>Enhance the equipment for SEND pupils.</i>	<i>All KS2</i>	<i>Continue to develop a range of developmentally appropriate equipment that can support the provision of PE for pupils with specific learning needs.</i>
	<i>Team building afternoon</i>	<i>Y5 only</i>	<i>Use outdoor learning as a vehicle to develop a class ethos with new form classes. In Y5 pupils attend from at least 5 feeder First Schools. This will provide an opportunity for pupils who do not know each other to mix and make new friendships.</i>
	<i>Development of Facility</i>	<i>All KS2</i>	<i>Develop playground markings on the Beaumont yard to support learning.</i>
	<i>Development of ICT</i>	<i>All KS2</i>	<i>Purchase CD Wheel. This software will allow pupils to develop an electronic learning journal of their learning across the activities we look at.</i>
Healthy Lifestyles	<i>Playmakers Award (in school award)</i>	<i>Selected Y6</i>	<i>Train new Play Ground Leaders: pupils' leadership skills so they can support playground activities for other children in preparation for the new summer term.</i>
	<i>Playground activities: equipment and markings</i>	<i>All KS2</i>	<i>Purchase replacement equipment to supplement playground games.</i>
	<i>Establish a 'Run for Fun' club.</i>	<i>All KS2</i>	<i>Use a local triathlon coach to re-invigorate the old Running Club. The club will focus on providing fun exercise and social opportunities for all abilities. This club will run for the year so pupils can develop a commitment and love of being physically active.</i>
School sport	<i>Coaching for competitions and after-school clubs</i>	<i>All KS2</i>	<i>Provide in school ,coaching in the following sports:</i> <ol style="list-style-type: none"> 1. Cricket 2. Lacrosse 3. Dance 4. Rugby 5. Golf
	<i>Embed competitive opportunities with partnership middle schools</i>	<i>Year 5</i>	<i>Embed a competitive opportunity each term to play competitive sport in a single or multi-sport festival.</i>
	<i>Sports Leaders</i>	<i>All KS2</i>	<i>Train the KS3 pupils to become Leaders and then use them to both run and enhance the existing programme of clubs and intra competitive sport within school.</i>
	<i>Transport For Competitions</i>	<i>All KS 2</i>	<i>Money allocated to travel to events, festivals and competitions. Being a rural school transport cost of transport is a limiting factor to travel to competitions.</i>
	<i>Medals and other consumable equipment needed to support Intra School competitions</i>	<i>All KS2</i>	<i>Continue to develop high quality intra school provision that motivates and inspires pupils to participate in more competitive situations.</i>

We will report on the progress we have made against our priorities by April 2017.
