

September 2018

Dear Parent/Carer

Due to the huge success of HMS sports teams and clubs last year we aim to again offer a wide range of clubs for all pupils in school. We encourage all pupils to attend at least one club either in 'Team Hexham' or as part of 'Active Hexham' depending on their desire to compete or just to participate.

For all lunchtime clubs marked 'DT' on the clubs list pupils are just required to bring their trainers unless advised otherwise. They must also collect an early lunch band from P.E. if they require an early lunch for the club.

For after school clubs pupils must return the attached reply slip to confirm their desire to attend the after school club. Pupils are required to wear their P.E. kit for these clubs and will have an opportunity to get changed at 3.30pm before the club. All clubs will run from 3.30- 4.45 pm. Pupils who are selected for fixtures will receive a separate letter to confirm they place in the squad for each individual fixture in advance of the event which should be returned to the P.E. department.

If your child would like to attend any clubs after school this term they will run weekly commencing from Monday 17th September 2018 could you please return the slip below and return it to school by Friday 14th September. If for any reason a club is not able to run a parent mail will be sent out as well as a message to students.

We look forward to another exciting year of sport at Hexham Middle School

Yours sincerely

Mr Barry, Mr Gaines and Mr Macmillan
