

Dear Parent/ Carer

We are delighted to be able to invite each form class (from years 5, 7 and 8) to attend a day in school before the summer break. We would encourage as many pupils as possible to attend these sessions. The day will be focused on well-being and allowing our pupils to enjoy some contact time with their peers and teachers. We are particularly pleased to be able to offer this session to our year 8 pupils who will be moving to high school in September.

The day will include: time spent with their form tutor, activities and games outside (weather dependent) and a picnic lunch. A wet weather plan will be in place to allow the day to go ahead. Each form class will attend for one day and will be split into two groups. The same social distancing principles already established in school will apply to the form class sessions.

Pupils should wear their PE kit and be prepared for all weathers. Pupils will arrive and leave at designated times and will wash their hands regularly throughout the day. We ask that pupils come to school with a packed lunch and water bottle. They will only mix with their group in a designated social zone.
