

HMS Staff Profile

Miss Prince 6CPR

Curriculum Leader: English

Subjects I teach

I love teaching English here at HMS. Our curriculum is very broad and diverse so there is something that everyone will enjoy reading!

My favourite book

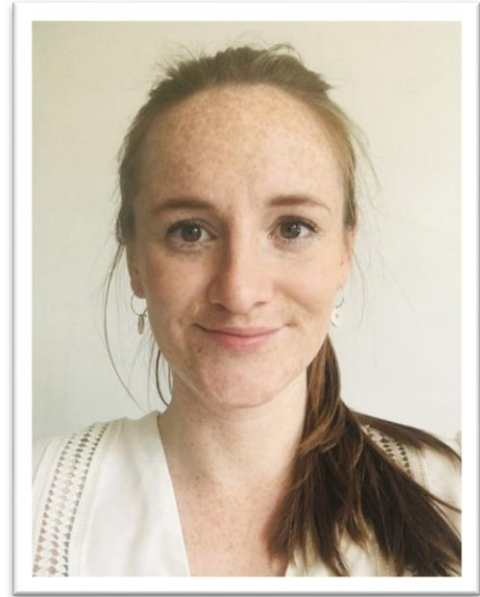

My favourite book is Tess of the D'Urbervilles by Thomas Hardy.

What I enjoy doing outside of school

Outside of school I enjoy cycling, baking, crafting and relaxing with a good book in my garden.

What my class would say about me

One of my old students said my lessons were 'the perfect combination of "getting it done" while remaining mostly fun'.

An interesting fact about me...

I still have two baby teeth and when I was little I memorized the whole of Roald Dahl's ' Revolting Rhymes', but I only know Cinderella by heart now.

My hidden talent

My memory – especially when it comes to poems and songs – which comes in handy for remembering quotes from texts!
