

HMS Staff Profile

Name: Mrs Alderson 6RAL KS2 Teacher

Subjects I teach

English, maths, science, explore

My favourite book

My favourite book(s) is a trilogy called The First Law Trilogy by Joe Abercrombie, but I like any books with magic, swords and dragons in them.

An interesting fact about me

Don't tell anyone, but I have always wanted to be a wagon driver!

Clubs I lead

I run a KS2 homework club so students can get their homework done and dusted before the weekend.

What my class would say about me

Probably that I talk too much about roast potatoes and cheese!

What I enjoy doing outside of school

Outside of school, I spend a lot of time at my sons' football and rugby matches, but I like spending time in Glasgow with my friends and visiting Waterstones. I also love going on long family walks with our Labradoodle, Max.

My hidden talent

Embroidery (just learnt this year!).
