

HMS Staff Profile

Name: Mrs Toor

Interventions Coordinator

Subjects I teach

I teach small groups maths and English to help pupils work to the best of their ability.

An interesting fact about me

I grew up on a farm not far from Hexham and love the countryside. Hexham Middle School was in fact my middle school many many years ago so it is a pleasure to be here as a member of staff.

What my class would say about me

My pupils would probably say I am kind and that I smile a lot.

What I enjoy doing outside of school

In my spare time, I enjoy going away for weekends with my friends.
