

Dear Parent/Carer of Year 8 Pupil

23 September 2020

Information regarding places at Queen Elizabeth High School for September 2021

This year, information for parents and carers about Queen Elizabeth High School and how to secure a place in year 9 will be provided via our website rather than in person, due to restrictions relating to the coronavirus pandemic.

We are disappointed that we won't be able to meet you and your child in person as we would in normal times, whether for the usual evening presentation or for the tour of the school during a working day. However, we hope you will be able to 'join us' via our website **at 6pm on Monday 5 October** when we will launch an information video about life at our school. Following this, we will also enable parents and carers who wish to speak to a member of the senior team about life at QEHS to do so.

Ahead of the 5th, please do look at the information we currently have on our [webpage](#) for prospective parents and carers, which includes details on how to apply for a school place.

If you have any queries, please contact the school on 01434 601301 or via cgaines@qehs.net.

Yours faithfully

Mr G Atkins
Executive Headteacher
