

We are really looking forward to our **non-uniform day** on **Friday 9 October** to help raise awareness of Mental Health.

We would like to encourage all pupils to find something yellow to wear. We also invite parents and carers to help support the campaign as part of our wider school community. Staff are getting involved too. People may wear as little as a yellow hair band, ribbons or clips, a yellow scarf, t-shirt or even laces. Some pupils may have a pair of yellow socks or perhaps a belt.

Wearing non-uniform is voluntary.

Some pupils may want to challenge themselves to wear as much yellow clothing and accessories as possible. We do not want to see the application of make-up, nail varnish, hair dye or face paint though (the latter will interfere with the wearing of face masks). Pupils may have yellow jewellery accessories such as necklaces; this will be allowed, but pupils must be aware that certain items may need to be removed if they have PE lessons.

If a child has PE on Friday 9 October, they will need to bring in their PE kit as usual

We would like the **suggested donation of £1** to be made **online** via the **School Gateway** app/website.

Many thanks for your continued support. We will be updating our social media accounts with images of the day with the campaign's hashtag: #HelloYellow.
