

HMS Staff Profile

Name: Mrs Haigh

Intervention and Pastoral Support

Subjects I teach

I teach English, Maths and Life Skills to small groups of pupils and I do reading interventions across KS2 and 3.

I also help with pastoral support one on one with pupils

An interesting fact about me

I love baking and have baked cakes for birthdays and weddings.

My hidden talent

I can hold a note! I love to sing, especially music from the musicals!

What my class would say about me

I think my class would say I was fun, patient, approachable and always makes sure pupils leave with a smile having laughed and enjoyed their lesson.

My favourite book and what I enjoy doing outside of school

My favourite book is Good Night Mr Tom by Michelle Magorian. Outside of school I am always outdoors, walking with my family and dog, cycling and gardening. Whatever the weather I'm out exploring the countryside.
