We are always seeking ideas for different clubs that may be of interest to pupils. Any suggestion for a club can be forwarded to Mr Freeman-Myers. Pupils can also talk to their form tutor in the first instance. As a school, we will explore the feasibility of new club suggestions in terms of staffing and venues. We will also endeavour to review the viability of clubs. If certain clubs prove unpopular, amendments may be made to respond to demand.

Additional Notes:

- After Easter, new sporting activities will be updated on the club list.
