

HMS PTA Christmas Gift Shop 2021

It's beginning to look a lot like Christmas...

Our Christmas gift order service was so popular last year, we're doing it again! The favourite gifts are still there with some exciting new additions. This year, as we're able to be together in school, the children will have the opportunity to see examples of the gifts available before placing their order. Our aim is to give all pupils the opportunity to buy a small gift for a friend or family member, whilst also helping to raise funds for the school.

Orders must be placed before 3pm on Wednesday 8th December 2021

You can order more than one gift if you would like to. All gifts will be festively wrapped and will include a blank gift label for the children to complete. Gift examples will be available to see during lunchbreak on Wednesday 1st December and Thursday 2nd December.

How to order:

Please include the correct money with your child's order and hand in to your child's form teacher. Cash or cheque (made payable to Hexham Middle School PTA)

If children are absent from school, you can email your order to hmsptachair@gmail.com and we will arrange how to collect payment. Please include your child's **Name, Class and the Gift Code.**

Your gift order will be given to children in class from week commencing 13th December 2021. If children are not in school that week, then we will get their gift to them before the end of term.

| | Child's Name | | | Child's Class | |
