

3 January 2022

Dear Parent/ Carer

REMOTE LEARNING GUIDANCE (JANUARY 2022)

As your child is absent from school due to either testing positive for COVID-19 or due to isolation, remote learning will be made available for them for when they are well enough to access it. We want parents/ carers to maintain contact with school staff so that we can support you and your child with any remote learning matters throughout your child's absence. It is important that we work together to ensure that your child's learning is continued (when they are able to do so).

All of our remote learning is delivered via School 360 on Google Classroom – this is a platform our pupils are familiar with from their computing lessons. Our [website](#) contains further guidance and useful help videos should you need them, and we are always contactable via the main office or admin@hexhammiddle.org.uk. The linked website page contains details on how to join classrooms and to access learning resources. Children will also be guided to join their relevant classes in their computing lessons, so this should be familiar.

Access concerns

If you are concerned that your child cannot access online learning from home, please let us know as soon as possible. School will be able to provide a laptop or tablet for use at home or to organise paper copies of learning to be sent home. When you report your child's absence, please try to alert the team in the office of any concerns you have.

You can also email us on admin@hexhammiddle.org.uk to report any access concerns or ask us any questions about Google Classroom; a member of the team will get back to you as soon as possible.

We deliver remote learning with two approaches:

1. Short term absence

If your child cannot attend school due to isolation or testing positive, they should access their learning via Google Classroom in line with their daily timetable. Teachers will be alerted to your child's absence on a daily basis and you should see work being uploaded to the relevant Google Classrooms from day two of your child's absence. Your child's form teacher will make contact with you/ them to check in and to provide further support. If your child would benefit from additional pastoral support during their absence, please let us know.

Learning provided will be:

Hexham Middle School

Whetstone Bridge Road, Hexham, Northumberland NE46 3JB

T: 01434 610300 E: admin@hexhammiddle.org.uk

www.hexhammiddleschool.co.uk

Executive Headteacher: **Graeme Atkins**

Head of School: **Liam Watters**

Hexham Middle School

spes durat avorum

- in line with the in-school curriculum sequence
- clearly explained with written instruction/ steps
- linked to online videos, tuition or support materials
- provided in line with your child's timetable
- assessed regularly with feedback issued online.

2. Longer term absence (due to school, local or national restrictions)

If larger groups (for example, a class or year group) are unable to attend school, then we will adopt approach two which involves teachers delivering lessons live to their classes. The principles outlined in approach 1 will apply with the addition of live teaching.

These sessions will be delivered in line with our 'Live Lesson Policy' and 'Code of Conduct' which are available on our website.

Joining lessons and classrooms

Due to e-safety reasons, the below Google Classroom codes (see appendix one) will not be shared on our website. Pupils should already be members of these class groups, but if not, it is very easy for them to join by:

1. Visiting www.school360.co.uk
2. Logging in with their username and password
3. Clicking the link to 'Classroom'
4. Clicking the '+' icon in the top right corner of the page
5. Entering the class code as per the tables below

Thank you for your continued support. Please don't hesitate to contact us at any point with any questions you have. We are here to ensure that your child is well supported and can access their learning from home.

Yours sincerely

Mr Watters

Head of School
