

The HMS curriculum is sequenced to build on learning prior learning. Staff develop a coherent understanding of curricula across the Partnership as part of our ongoing working groups. At HMS, teachers plan in the long, medium and short-term to ensure consistency in the learning experience for all children. The long-term mapping details the sequence of learning in each subject, the key themes, how reading and literacy are developed, how our personal development curriculum is embedded and the key assessment strategies to ensure that staff and pupils know the security of learning. The curriculum is planned with ambition for all learners at its core and those with additional needs are empowered to succeed. Pupils learn about the influence of significant people both in history and in the modern world so that they develop an appreciation of the world in which they are living. Detailed medium-term planning is produced for effective implementation and consistency giving teachers the understanding of why learning happens when it does, what pupils should already know, how they will build on this learning and the required end-points (in terms of knowledge, skill and understanding).

Subject	Autumn	Spring	Summer
Personal Development (2 hours)	Assembly Themes including: <ul style="list-style-type: none"> Democracy in action; Will there ever be world peace?; Sustainability in our school; Dealing with our emotions; Firework safety; Building bridges not wall... Armistice Day; Anti-bullying – being generous and showing courage; Advent Character Education: <ul style="list-style-type: none"> Courage Generosity Skills Builder: <ul style="list-style-type: none"> Speaking Listening 	Assembly Themes including: <ul style="list-style-type: none"> Aiming High/Aspirations; Lunar New Year; Holocaust Memorial Day; Diversity and Inclusion; Safer Internet Day; Love in Literature; Lent; National Careers Week; Red Nose Day; Earth Hour; Easter Story Character Education: <ul style="list-style-type: none"> Justice Humility Skills Builder: <ul style="list-style-type: none"> Aiming high Staying Positive 	Assembly themes including: <ul style="list-style-type: none"> William Shakespeare; Interrogating integrity; Islam's holiest day; Florence Nightingale; Mary Seacole; Protected Characteristics: The Equality Act; Biodiversity; Caring for others; Magna Carta; Alan Turing's Example; Was Henry VIII a good leader?; Skills Builder Character Education: <ul style="list-style-type: none"> Integrity Honesty Skills Builder: <ul style="list-style-type: none"> Creativity Leadership
PSHE/RSE (2 hours)	Living in the wider world <ul style="list-style-type: none"> What influences my decisions? Why do my decisions matter? How can I make informed decisions? How can I manage financial risk? Piracy – what's the big deal? 	Citizenship <ul style="list-style-type: none"> What is Parliament? What does the Government do? The election process The role of the police British Law 	Relationships <ul style="list-style-type: none"> Respectful relationships Conflict resolution including online Equality and diversity Tackling prejudice-based bullying and discrimination
